

MAGNIFICENT MONTGOMERY CHAPTER
JACK AND JILL OF AMERICA, INCORPORATED
P.O. BOX 6089
MONTGOMERY, AL 36106

September 1, 2020

Dear Community Sponsor:

Founded in 1938, Jack and Jill of America, Incorporated is a membership organization of mothers with children ages 2-19, dedicated to nurturing future African-American leaders by strengthening children through leadership development, volunteer service, philanthropic giving, and civic duty. At our core, we are an organization dedicated to the development of strong families. Today, our organization has over 220 local chapters across the country, with more than 30,000 families committed to making a difference in the lives of children.

The local Montgomery Chapter of Jack and Jill of America, Inc. is currently celebrating its 65th year anniversary with a robust membership of 36 moms and 65 children. Through our strong programming, community service, and leadership opportunities, we are nurturing bright young men and woman that will go on to be strong pillars in our community for years to come.

Our major fundraiser is the biennial Beautillion Militaire. The event will be March 13, 2021. We will present 20 young men to society as they successfully complete a year long process of becoming young adult men. These 20 local young men will be in the 11th or 12th grade and will participate in a series of activities crafted specifically for their overall social, civic, health, and educational development. Five young ladies who are chapter members and in grades 11 and 12, will also have the opportunity to be presented to society as Debutantes to represent Jack and Jill of America, Incorporated's Montgomery Chapter.

In conjunction with this event, our organization will be raising funds for three 501 (c) (3) charities: the Jack and Jill Foundation, Valiant Cross Academy, and Mary Ellen's Hearth. We are asking for your support to assist us in creating a global, regional, and local footprint for individuals alike. The Jack and Jill of America Foundation is the philanthropic arm that supports children across the world through programs that create opportunities for youth to reach their full potential as scholars and global citizens. Valiant Cross Academy provides a loving and stable educational opportunity for young men in Montgomery by providing them with the skills necessary to become productive citizens, leaders, and honorable men. Mary Ellen's Hearth, a United Way Agency, offers hope to homeless women and children by providing life skills training, transitional housing, and healing through Christian love.

As a community partner, we are asking for your support to achieve the Beautillion Militaire's dual aim of creating a lasting impression on the lives of the young men and women participating in this year's event and supporting the work of our non-profit organization that promotes the well-being of the Montgomery community. It is our sincere desire that we can count on your financial support towards these efforts by investing in our children and the surrounding River Region community. Enclosed you will find the sponsorship levels available for your participation. Each comes with varying degrees of exposure and tickets to join us at our culminating event in March 2021. We are eager to have your business/organization become an integral part of our community efforts.

If you have questions, or need further information, please do not hesitate to contact us at mgmbeautillion2021@gmail.com or specifically Dr. Dana Henderson, our Beautillion Fundraising Chair (702-338-0479) or Dr. Courtney Griffin, Beautillion Committee Chair (334-339-0219). We look forward to your prompt response in helping us make a difference in Montgomery and beyond.
